

4. QUIZ

Setting	group and plenary
Goal	Consolidation of the payment methods of the MEMORY
Material	Enclosure "MEMORY" – only the cards with symbols (27 cards) Enclosure: (quiz) questions for payment methods
Duration	15 minutes

Groups of 2 – 3 participants are formed. The 27 cards with symbols are dealt face up on a table.

Each group sends one participant to the table. The first question is asked and the participants try to find the right solution. Correct cards may be kept. Now each group sends the next participant to the table.

The game continues until all questions have been answered. The group with the most cards wins.
